The up-market lodge will be used for option A and the cheaper option for option B. 4x4 Vehicles will be used to reach specific game areas, from where games will be stalked on foot.

The ranch boasts a host of African game such as Duiker, Steenbuck, Bushbuck, Impala, Springbuck. Blesbuck, Kudu, Nyala, Impala, Lechwe, Sable, Eland, Blue and Black Wildebeest, Oryx, Warthog, Bushpig, Giraffe, Zebra, Jackal, Lynx, Baboon, Monkey and a host of other wildlife.

Lax-a's Southern Africa program

Lax-a specializes in Southern Africa and can help you organize all your hunting, fishing and general tourism trips to South Africa, Namibia and all the neighboring countries. Working with different operators and lodges we can tailor make your hunting / fishing / tourism trip.. Lax-a is globally the largest fishing outfitter and has a 22 year track record of operating a broad fishing and hunting program all over the world. We now have an Africa Representative permanently based in Windhoek, Namibia, with more than 20 years of experience from the region.

Request our special brochures for the following exclusive and good value for money packages:

Fishing:

Giant Tarpons in Angola. It is has long been well known that the West coast of Africa hold the largest Tarpon in the world – in countries such as Angola, Gabon, Congo and Sierra Leone, but they have until now by and large only been caught on conventional tackle and a range of security and logistic factors have made access to fishing for them very difficult. After our successful trips in 2008 and 2009 where many 80KG+ Tarpons were landed we are planning 2-3 groups in the high season early 2010. Trips starts from Luanda

Tigerfish in Mozambique, Namibia and Zambia. We arrange special private tours for small groups of 3-4 anglers to a remote corner of the huge Caborra Bassa dam on the lower Zambezi river. These trips are guided by some of South Africa's most experienced guides. There are many large Tigers in the 5-8 KG range with a possibility of a 10-12 KG trophy of a lifetime. Good accommodation and food, but not 5 star. If you want a truly 5 star experience we can organize Tiger Quests on the **Impalila Island lodge**. These trips are accompanied by one of South Africa's leading fly fishermen with more than 20 years of Tiger fishing experience. Trips start at Johannesburg airport. The season is June to November.

Trout and Yellowfish on the roof of Africa. Lesotho and the surrounding parts of South Africa offer some very interesting trout fishing for wild Rainbows as well as indigenous Yellow fish. There are a huge amount of Freestone rivers here in 2-3 KMs height over sea level. The area is very remote, with difficult access and very few people. Together with the best guides in the area we offer fully inclusive tours for small groups or individual anglers. The remote rivers are accessed by 4 x 4 vehicles or horseback. This is ideal for a 4-6 day extension to your visit in South Africa. The season is mid September – mid May. Clients will be picked up in Bloomfontein or East London airports.

Hunting

Hunting on the edge of Lesotho (South Africa)

The Eastern Cape has long been one of Southern Africa's major hunting destinations. We work from the little town Rhodes located in the remotest mountain areas. This area is well known for its Mountain Reed buck and Vaal Rhebuck hunting, the latter being one of Africa's most challenging antelope species to hunt. The area also boasts a large number of Blesbuck and Black Wildebeest as well as the extremely sporty Greywing Francolin that only occur 7000ft above sea level. The antelope hunting is done either on horseback or on foot, depending on the terrain and hunters are required to be relatively fit for this. Hunting for Greywing Francolin is done on foot and over English Pointers and the bag limit is between 6 and 10 birds per gun per day. Clients will be picked up in Bloomfontein or East London airports.

Hunting in the Karoo (South Africa)

Various packages including Steenbuck, Bushbuck, Impala, Springbuck, Blesbuck, Kudu, Nyala, Impala, Lechwe, Sable, Eland, Blue and Black Wildebeest, Oryx, Warthog, Bushpig, Giraffe, Zebra, Jackal, Lynx, Baboon, Monkey etc. All wild life on this 8.000 Hectar ranch breed and fend for themselves in a natural manner. The clients will be met at Port Elizabeth Airport by the Professional Hunter and be transported to the game ranch approximately 2 hours drive into the bush.

Hunting in Namibia

Lax-a has just finalized and tested a new exclusive package letting you hunt on 3 different farms in 3 very different parts of this amazing country, allowing you to sample all the best hunting Namibia has to offer in one trip. We also offer several other packages including budget packages based on self catering in a remote bush camp.

It has a very low crime rate and is ideal for a self drive vacation. Namibia is our speciality and we can organise your combined hunting and safari trip. The trip starts in Windhoek International Airport.

For the South African hunting packages, the professional Hunter can have guns and ammunition available for the clients use to minimize hassles with travelling documents and permits.
