***EXCLUSIVE LAX-A HUNTING TRIPS TO NAMIBIAN
HUNTING RANCHES – OUR GRAND NAMIBIA TOUR AND
OUR BUDGET SPECIAL***

Namibia

Namibia with its wide open spaces, vastly varying landscapes, low crime rate and 1st world infrastructure is more and more recognized as Africa's premier hunting destination offering an authentic, ethical hunting experience and excellent value for money.

At the same time Namibia is the ideal family holiday destination with fantastic national parks for game and nature viewing and photography, and with Swakopmund on the coast offering world class shark fishing and a range of adventure activities from sand boarding, to skydiving and paragliding.

Lax-a's Africa representative is permanently based in Windhoek, Namibia, and can put together your combined hunting, fishing and general tourism trip and provide

support during your trip if needed. We recommend combining your hunting trip with a self drive trip to some of the major Namibian attractions, but if you prefer we can also organize a guided trip either privately or with a bigger group.

We recommend flying in directly from Europe with Air Namibia via London Gatwick (2 weekly departures) or Frankfurt (5

weekly departures). Air Namibia offers all hunters an extra 10 KG luggage to accommodate your weapons and ammunition.

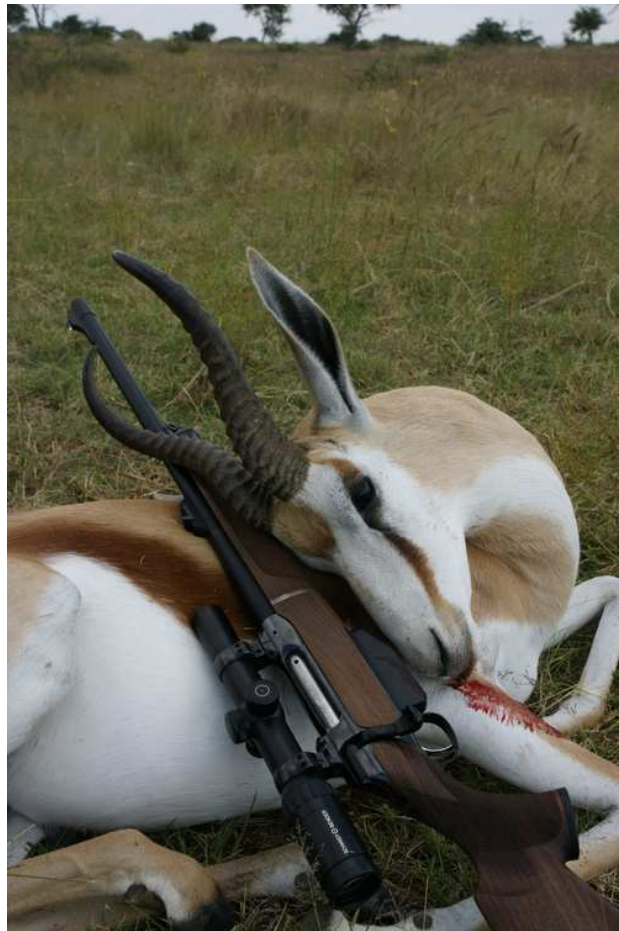

Our hunting packages

OUR ALL INCLUSIVE OFFER:

LAX-A GRAND HUNTING TOUR OF THREE DIFFERENT NAMIBIAN HUNTING RANCHES

This trip takes you to 3 very different hunting destinations:

- A huge mixed cattle and game ranch in central Namibia with access to 2 neighboring ranches giving a total of 18.000 hectares (180 sq km!) hunting area. The ranches do not have game fence and all the hunting is for free roaming animals in a typical open savanna area. Strong populations of most of the species on the trophy list.
- An unfenced game ranch in excess of 8000 hectares (80 sq km) in a mountainous semi desert hunting area halfway towards the Namibian coast. This ranch has a particular strong population of Mountain Zebras along with most of the other species on the Trophy list. Very challenging hunting in stunning mountainous terrain
- Then again for a total different scenario is the Kudu paradise in the North of Namibia with really majestic old Kudus and eland, as well as impala, waterbuck, burchell's zebra, giraffe. This is bush country for all browsers. Visibility is short, however, so much more exiting to stalk the animal by tracking it on foot. The adjoining, neighbouring territory is the vast area of Bushman land and from here hail the best trackers who will keep an old bull's track for hours and then all of a sudden spot him through the dense brush. The sand makes walking a little bit more challenging as it is the edge of the Kalahari desert, while tracks are followed easily. Occasionally tracks are spotted of the highly protected Cape Wild hunting dog as well seasonally elephants wander through the ranch. Through the 10 000 hectare ranch

meanders the perennial Omatako river and on its banks lies the lodge in splendid surroundings.

By combining the 3 different hunting areas you will experience a number of very different hunts for a huge variety of the best trophies Namibia have to offer. You will have a choice of well over 20 different indigenous species and will experience everything Namibia has to offer apart from big game hunting. All ranches have very strong populations of animals

and you will have a very good chance of taking the trophies you want. Good quality accommodation and good home style cooking on all three ranches, not 5 star, but great welcoming atmosphere.

The package includes: Welcoming at Airport, Transfer to all three hunting areas, 9 full Days Hunt in three different biospheres, with each hunt being 3 full hunting days with Skinning and Field Preparation of Trophies, Accommodation and Full Board with Laundry Service, Indigenous Trackers, Swimming Pool, Excursion to Windhoek, City- and Sightseeing in Windhoek, Opportunity for Shopping, Transfer to Airport and Assistance with Checking-In or Transfer to Windhoek for Adjoining Activity, All Hunting Permits And Taxes Included. Always only one hunting party at a time. All hunting is 1:1 with your PH/the indigenous tracker

AND ONE each of the following trophies:

KUDU in northern bushveld hunting area

WARTHOG in central savannah hunting area

SPRINGBUCK in mountainous desert hunting area..

One Jackal

A wide variety of additional species can be hunted in the three different biomes according to the trophy price list below.

Lax-a's Southern Africa program

Lax-a specializes in Southern Africa and can help you organize all your hunting, fishing and general tourism trips to South Africa, Namibia and all the neighboring countries. Working with different operators and lodges we can tailor make your hunting / fishing / tourism trip.. Lax-a is globally the largest fishing outfitter and has a 22 year track record of operating a broad fishing and hunting program all over the world. We now have an Africa Representative permanently based in Windhoek, Namibia, with more than 20 years of experience from the region.

Request our special brochures for the following exclusive and good value for money packages:

Fishing:

Giant Tarpons in Angola. *It is has long been well known that the West coast of Africa hold the largest Tarpon in the world – in countries such as Angola, Gabon, Congo and Sierra Leone, but they have until now by and large only been caught on conventional tackle and a range of security and logistic factors have made access to fishing for them very difficult. After our successful trips in 2008 and 2009 where many 80KG+ Tarpons were landed we are planning 2-3 groups in the high season early 2010. Trips starts from Luanda*

Tigerfish in Mozambique, Namibia and Zambia. *We arrange special private tours for small groups of 3-4 anglers to a remote corner of the huge Caborra Bassa dam on the lower Zambezi river. These trips are guided by some of South Africa's most experienced guides. There are many large Tigers in the 5-8 KG range with a possibility of a 10-12 KG trophy of a lifetime. Good accommodation and food, but not 5 star. If you want a truly 5 star experience we can organize Tiger Quests on the **Impalila Island lodge**. These trips are accompanied by one of South Africa's leading fly fishermen with more than 20 years of Tiger fishing experience. Trips start at Johannesburg airport. The season is June to November.*

Trout and Yellowfish on the roof of Africa. *Lesotho and the surrounding parts of South Africa offer some very interesting trout fishing for wild Rainbows as well as indigenous Yellow fish. There are a huge amount of Freestone rivers here in 2-3 KMs height over sea level. The area is very remote, with difficult access and very few people. Together with the best guides in the area we offer fully inclusive tours for small groups or individual anglers. The remote rivers are accessed by 4 x 4 vehicles or horseback. This is ideal for a 4-6 day extension to your visit in South Africa. The season is mid September – mid May. Clients will be picked up in Bloemfontein or East London airports.*

Hunting

Hunting on the edge of Lesotho (South Africa)

The Eastern Cape has long been one of Southern Africa's major hunting destinations. We work from the little town Rhodes located in the remotest mountain areas. This area is well known for its Mountain Reed buck and Vaal Rhebuck hunting, the latter being one of Africa's most challenging antelope species to hunt. The area also boasts a large number of Blesbuck and Black Wildebeest as well as the extremely sporty Greywing Francolin that only occur 7000ft above sea level. The antelope hunting is done either on horseback or on foot, depending on the terrain and hunters are required to be relatively fit for this. Hunting for Greywing Francolin is done on foot and over English Pointers and the bag limit is between 6 and 10 birds per gun per day. Clients will be picked up in Bloemfontein or East London airports.

Hunting in the Karoo (South Africa)

Various packages including Steenbuck, Bushbuck, Impala, Springbuck. Blesbuck, Kudu, Nyala, Impala, Lechwe, Sable, Eland, Blue and Black Wildebeest, Oryx, Warthog, Bushpig, Giraffe, Zebra, Jackal, Lynx, Baboon, Monkey etc. All wild life on this 8.000 Hectar ranch breed and fend for themselves in a natural manner. The clients will be met at Port Elizabeth Airport by the Professional Hunter and be transported to the game ranch approximately 2 hours drive into the bush.

Hunting in Namibia

Lax-a has just finalized and tested a new exclusive package letting you hunt on 3 different farms in 3 very different parts of this amazing country, allowing you to sample all the best hunting Namibia has to offer in one trip. We also offer several other packages including budget packages based on self catering in a remote bush camp.

Namibia with its wide open spaces, varied desert and Savannah landscapes and stunning game parks is Africa's premium tourist destinations. It has a very low crime rate and is ideal for a self drive vacation. Namibia is our speciality and we can organise your combined hunting and safari trip. The trip starts in Windhoek International Airport.

For the South African hunting packages, the professional Hunter can have guns and ammunition available for the clients use to minimize hassles with travelling documents and permits.
